Message from Paul Smith, Chair, Board of Directors

Paul Smith

Everything we need and more is right here. You will be amazed at the variety of businesses that exist in Aurora. Take a look around and every day you will discover something new. Everything we need and more is right here.

Aurora is where we shop, eat and have fun. There are excellent shops, restaurants and one-of-a-kind businesses that make our community unique, make it our home. Everything from eateries,

sports, fashion and automotive outlets to shops and services for home improvement are right here and more are being added. It's time to explore and discover.

At the Chamber, we promote shopping locally. From a 'local prosperity' point of view, shopping locally strengthens our local economy, provides jobs, income and positively impacts our tax base. Small community businesses are the largest national employers, but they need support to remain viable. Local purchases require less transportation decreasing traffic congestion and pollution. Entrepreneurs are more likely to invest and settle in communities that preserve their one-of-a-kind businesses and unique character. Local business owners tend to support community groups and non-profit organizations as well. The importance of shopping locally has a direct impact on the prosperity of our town.

In Aurora, there are many businesses that supply other businesses with products and services. If you own a business outside of Aurora, consider looking at suppliers right here. There are businesses from every sector – manufacturers who export around the world, distributors, furniture suppliers, IT technology solutions, marketing and advertising companies and more. The list is endless.

At the Chamber, our goal is to continue to build a strong business community. We help members to connect, communicate and engage with each other and the community. The benefits are huge. There are opportunities for education, mentoring and developing relationships that can improve personal and business knowledge and growth. We keep our members informed and aware of community issues and advocate on their behalf. When members get involved, it creates energy, passion and results in a strong chamber and business community.

Whether you are a consumer or business, get to know Aurora businesses and entrepreneurs, using the Aurora Chamber Business Directory. Keep it on hand and refer to it often. Think local first!

Cheers to Aurora's Entrepreneurs!

Message From Judy Marshall, Chief Executive Officer

Out and About Locally

The Aurora Chamber of Commerce has had another busy year providing over 40 networking events, as well as special events such as the always popular Aurora Chamber Home Show and Street Festival. We published a quarterly magazine and the annual business directory, distributed weekly email communications and developed a new website. We spoke out for local businesses, worked with committees to support the board and membership and are continuously evolving as the world around us changes at an alarming rate. One thing that will never change is the importance of our membership, business people who live and work in Aurora and surrounding communities.

Judy Marshall

Many of these members have been committed to the Chamber for a very long time. They know and promote the advantages of joining such as cost saving benefits and access to an enormous group of peers with whom they can do business, share experiences and ask for help. Networking and referrals are also critical for success. The Chamber office receives telephone calls from residents and visitors every week asking for business referrals. Members are always referred first with the goal of ensuring that business stays in Aurora to foster the economic growth and prosperity of our community.

We all need to make a conscious effort to shop locally because every dollar spent in our community has a multiplier effect of up to 3.5 percent return to the local economy. Accessing local shops and services leads to more local employment opportunities, store shelves with more consumer options and increased health and professional services such as accountants, lawyers, computer consultants and even builders, renovation companies, electricians, plumbers, office furniture and suppliers and so on. There is definitely a domino effect that helps the community as a whole.

For over 20 years, I have purchased clothing at a local store. What keeps me coming back is the customer service – the friendly greeting, enquiries about my job and family, someone to grab another size and, after all these years, opinions that I can trust. Staff at a local restaurant call me by name and know that I take my coffee black. That's what keeps me coming back. The values of the community are reflected in these businesses that will be around for a very long time, building the future all citizens want for their home town.

Use this directory to shop and use local services that are Aurora Chamber members. Shopping locally is all about supporting your community!

The Aurora Chamber of Commerce

The Aurora Chamber of Commerce is a non-profit organization with a membership of over 700 businesses from large corporations to mid-sized businesses and emerging entrepreneurs. While engaging volunteers, it represents the business community and provides support and services to grow and maintain business success while building a strong local economy.

The Chamber provides numerous benefits including educational seminars, networking and cost-saving opportunities and major events. As a member of the Ontario Chamber of Commerce and the Canadian Chamber of Commerce, the Aurora Chamber is part of a large network that provides access to all levels of government.

Businesses join to:

- Connect and build their network
- Have a voice in related local affairs
- Market their business locally and beyond
- Take advantage of benefits such as the group insurance plan, merchant services program and member to member discounts
- Connect with the community and other businesses to increase awareness of their products and services
- Learn skills and share business concerns and successes
- Receive recognition for business excellence

Our goal is to provide the best possible platform for members to stay informed and connected and build awareness so community members use local businesses and services first.

Get to know Chamber members. Shop local! Help businesses grow and the local economy to flourish.

...from the Mayor

On behalf of The Town of Aurora and Aurora Town Council, I would like to thank the Aurora Chamber of Commerce for the tremendous work it does to support and enhance our community's thriving business sector.

Aurora is a vibrant community, blessed with a well-educated and growing population that supports a broad range of manufacturing, retail and knowledge-based businesses. Our modern, well-maintained infrastructure and strategic transportation links to all parts of Greater Toronto makes Aurora a highly attractive location for businesses to become established and thrive.

As a past President of the Aurora Chamber of Commerce and former business owner, I understand the critical role of business in supporting our community and the need for strategic partnerships to create strong, balanced and sustainable municipalities.

The Town is committed to securing top-calibre "prestige" jobs and rejuvenating the Aurora Promenade, our historic downtown business core. Through our Community Improvement Plan, the Town is moving boldly to assist with business development by providing financial incentives of up to \$200,000 per year for five years to redevelop our historic downtown.

Private sector investment is a key element in this redevelopment, and we look forward to working with businesses – which have invested millions of dollars over the past few years – to maximize the business potential of our historic areas.

The Aurora Chamber of Commerce has long been a catalyst for business investment and development, and is a valued partner in promoting, attracting and keeping our businesses strong and prosperous. I look forward to continuing our mutually-beneficial association as we move forward in a number of strategic areas.

Working collaboratively, The Town of Aurora and the Aurora Chamber of Commerce can have a tremendous and positive impact on the quality of life that residents of Aurora enjoy.

It is a natural alliance that will continue to grow and pay dividends to our residents and business owners.

Sincerely,

Mayor Geoffrey Dawe

Shop Local!

The reasons are simple . . .

Economic Benefits

When you shop local, you invest in your community, your neighbours, and yourselves. In this economic climate, the best return on investment is in local business. It is estimated that for every dollar you spend, twice as much will be invested in the community.

Personalized Customer Service

Local shopping means better customer service. Local business owners are often personally invested in the community.

Small business owners want to share the passion they have for their product or service, dealing directly with owners makes your shopping experience a memorable one.

Uniqueness of the Community

Local shops reflect the people in the community and cater to the cultural base. Business owners understand local demands and can respond quickly to identified community desires and needs.

Money spent at local businesses encourages growth and prosperity which creates a greater variety of products and services that helps the community maintain its unique appeal.

Community Well-Being

Customers are the shareholders of local business.

Local businesses give back to their community through their support of local charities, schools and community events.

Environmental Benefits

Shopping locally reduces the impact on the environment. Local jobs reduce commuting distances, motor vehicle traffic and subsequently environmental emissions related to these activities.

Jobs

Local businesses create local jobs and self-employment – invest in your community.

**Shop at locally owned businesses first.
It really does make a difference.**

The Aurora Chamber Street Festival turns 20 in 2015!

Since 1995, the Aurora Chamber of Commerce has organized the annual Street Festival on the first Sunday in June. In 2015 we will proudly celebrate the 20th anniversary of this popular community event that has brought thousands of patrons to Aurora's downtown core year after year.

Join us on Sunday, June 7, 2015 for a family-friendly festival that is always lots of fun!

Vendor applications will be available online in early January.

The Value of Chamber Membership

The Globe and Mail published an article in January 2013 titled “Joining a board of trade (chamber of commerce) can bring small businesses big rewards”. The article cited some excellent reasons to belong, “It’s a question that comes up at some point in the life of most small businesses: Should I spring for membership in the local board of trade (chamber of commerce)?” The journalist David Israelson concluded: “In most cases, it’s good to be a joiner.” According to the article, belonging to a chamber provides the following value:

- Opportunities for small businesses to tap into experienced resources
- Excellent sources of valuable information
- Opportunities to learn about industry trends
- Direct economic benefits (See page 27)
- Inroad into the political structure of the community
- Networking, trade shows and special events provide direct contact with potential clients and other businesses
- Discounts for business services at a preferred rate
- Exclusive discounts between chamber members
- Involvement in advocacy and its role in shaping public policy
- And . . . membership is tax deductible.

Networking is critical for business success,

according to Deanna Drendal, a Montreal public relations consultant. Joining a board means you can give back as well as receive, she adds. “The elevator has to go both ways . . . It’s also about giving back and about serving – on committees and boards, to do your share to make the organization stronger.” The opportunities are boundless!

Join the Aurora Chamber of Commerce today.

Join the Aurora Chamber of Commerce.

Get Connected. Get Referrals.

Becoming a member of the Aurora Chamber of Commerce is one of the best decisions you can make! Membership allows you to develop and grow your business, get noticed, and save money. You are invited to join this dynamic organization, dedicated to promoting local businesses and services. If your business has yet to join the Chamber, please call the Chamber at 905-727-7262 to discuss the many benefits. Together we can achieve a strong local economy. Join today.

Benefits and Features

NETWORKING

Expand your personal and business network at over 40 annual networking, speaker and workshop events designed to promote your business.

SPECIAL EVENTS

Attend the Business Excellence Awards, Golf Classic, Home Show, Street Festival, and the Annual General Meeting, all providing opportunities to mix business with pleasure.

SAVE MONEY

Receive preferred rates at participating member businesses on products and services, save on merchant transaction fees, Esso fuel costs, boardroom rental at the Chamber office and more.

GET NOTICED

Members are listed in the annual Business Directory which has a circulation of 20,000. The Directory is distributed to all Aurora households and businesses as well as Chamber members throughout York Region.

Low-cost advertising is available in the quarterly Chamber Connection Magazine and annual Business Directory.

REFERRALS

The Chamber office receives many calls from community members and visitors seeking information about Aurora and available products and services. The Chamber promotes members only.

GROUP INSURANCE

Benefit from the Chamber of Commerce Plan, which includes group, short and long-term disability, extended health, dental, vision care, travel insurance and more.

ONGOING EDUCATION

Never stop learning. Low cost educational seminars and workshops with professional speakers are offered throughout the year.

Join the Aurora Chamber Toastmasters for communication and leadership development.

DOCUMENT CERTIFICATION

The Chamber offers a free service to members who export goods and services internationally by endorsing Certificates of Origin.

HAVE A VOICE

Advocate for issues affecting business at the municipal, regional, provincial and federal levels of government.

Imagine running through rolling hills and wetlands, locating fossils, butterflies and hummingbirds. Reading poetry under an oak tree. Launching a rocket into the big blue sky. Is the sky the limit? Not around here it isn't. We simply give our students a massive playing field to seek out their own magical answers to the question,

WHO WILL YOU BE?

The Aurora Chamber Home Show is moving in 2015!

We are excited to announce that the Aurora Chamber Home Show is moving to the Stronach Aurora Recreational Complex (SARC) on Wellington Street East. The new Show will be bigger and better than ever! Attend the Show to discover interior decorators, home renovators, landscapers, mortgage brokers, insurance professionals and much more.

The exciting and inspirational Feature Area is not to be missed! The top-secret theme will be revealed on opening day. Mark your calendar and plan to join us on Friday, April 10, Saturday, April 11, and Sunday, April 12, 2015. We invite you to shop locally and support our members!

Visit www.aurorachamber.on.ca for more information and to become an exhibitor.

A BETTER WAY TO LOOK AT INSURANCE

**Independently owned,
we work for you.**

We are neither fully nor partially owned by an insurance company. We are an independent insurance broker – a consultant. That means we work for you and your business searching the marketplace for fair premiums, the best coverage and the best carrier options.

The people at **Smith Williams and Bateman** are highly trained in the insurance profession and offer you a personal, relaxed atmosphere. They understand how business works and can answer all of your questions and concerns.

- Commercial Property and Liability
- Farm
- Marine/Cargo
- Commercial Auto/Fleet

- Home & Auto
